

Find Your Fit

What are your top ten things to have from your future job? Use the list on the next page to help you discover your work priorities. Use a highlighter to pick out your top ten, then write them in order of priority below (you could even write your own):

My Top Ten:

1.

2.

3.

4.

5.

6.

7.

8.

9.

10.

Besides money, most people are looking for work they are likely to enjoy, but what does that mean? Everyone's wants and needs are different and we all have different priorities. Below there are over 50 different things that can be found in the world of work. There are many more and these are just some examples:

- | | |
|---------------------------------------|--|
| Earnings | Making decisions |
| Job security | Progression |
| Being Challenged | Set Hours |
| Working Conditions | Making things/using your hands |
| High Status | Self-employment |
| Being innovative/imaginative | Writing reports and doing research |
| Having a good boss | Working with numbers, data or statistics |
| Great employment benefits | Job satisfaction |
| Colleagues you like and trust | Location |
| Working as part of a big team | Fixing things |
| Working as a part of a smaller team | Providing talks/presenting idea |
| Working independently | Work/Life balance |
| Helping others | Further learning and qualifications |
| Pay incentives | Praise/thanks for what you do |
| Having a say in the company/business | Company Values |
| Working to goals and targets | Work that will always be needed |
| Working under pressure | Needing to be physically fit |
| Working evenings and weekends | Work in high risk situations |
| Working indoors | Working in emergency situations |
| Working outdoors | Influencing others |
| Flexible working options (time/place) | Working with the public/customer services |
| Travel | Problem solving |
| Using IT and/or AI | Length of commute/travel to work |
| Work involving sales | Company reputation |
